STRIKE WILL EXTEND

CHICAGO UNION STOCK YARDS
MAY BE COMPLETELY
CRIPPLED.

SITUATION IS COMPLICATED

Unless the Four Big Packing Concerns Agree to the Demands of the Striking Teamsters Forty Thousand Employees at the Yards Will Join in a Sympathetic Walkout—Several Hundred Already Out.

Chicago, May 29.—If the four great packing concerns at the Union Stock Yards shall not yield to the demands of the striking teamsters within a short time it may result in a general stoppage of 40,000 employees at the yards. Already several hundred persons have quit. The situation is becoming so involved that it apparently will be impossible for the union men to remain at work any longer without violating the rules of the Chicago Federation of Labor, under which they held charters.

A strike among the beef butchers or hog butchers, or any other set of men upon whom hundreds of others are depending, would cause a complete tie up in every branch. This is said to be not unlikely, because in many instances union men have been asked to do the work of the strikers and have been discharged upon refusing. Furthermore, union men are forbidden to handle goods that have been prepared by non-union labor, and it is said to be nearly impracticable for the men to continue without doing this.

Two hundred and twenty-five box-makers employed by the National Box company's plant at Thirty-sixth street and Center avenue struck because they had been asked to furnish boxes to packers against whom the teamsters are struggling. The American Express company refused to handle meat because of the fear that its drivers, who are members of the Teamsters' union, would strike if asked to haul the meat.

DISCUSS STRIKE SITUATION.

Operators and Anthracite Miners Hold Separate Meetings.

Wilkesbarre, Pa., May 29.—The officers of the United Mine Workers' assemblies of this city held a meeting and reports were received from committees appointed to interview the engineers, firemen and pumpmen employed at the various collieries in this city and vicinity. These reports, so it was stated after the meeting, showed that very few of the firemen and pumpmen were found who were unwilling to join the striking miners next Monday unless they were granted an 8-hour day. There were some engineers who said they would not quit work, but it is claimed they are comparatively few in number. Some coal operators and superintendents held a secret meeting at one of the coal offices during the afternoon. It is understood there was a general discussion of the situation and what steps should be taken to protect the properties of the coal companies in case trouble should follow the installment of new men in the places of engineers, firemen and pumpmen who might quit work next Monday.

The big coal companies continue to swear in special officers.

At a mass meeting in Freeland the union and non-union pump runners, firemen and engineers employed by Cox Bros. & Co. unanimously decided to quit work on Monday if the concessions asked for were not granted. About 200 men will respond to the strike order at Cox's mine.

REMAINS A GERMAN LINE.

Hamburg-American Ships Will Not Pass Under Foreign Control.

Hamburg, May 29.—At a general meeting the shareholders of the Hamburg-American line unanimously adopted a motion submitted by the directors with the view of assuring that the control of the company shall not pass from the hands of Germans to those of a foreign corporation.

It provides that the directors and board of supervision must be German subjects and live in Germany, and that in order to change this provision transferring the seat of business of the company to a foreign company or dissolve the company, or do anything involving the loss of or the restriction of independence of the company in favor of foreign undertaking, it will be necessary for a resolution to that effect to be adopted by shareholders representing four-fifths of the capital of the company at a general meeting, and that a confirmation of the resolution by the same majority be adopted at a second general meeting.

Suspected of an Iowa Murder.

Fort Dodge, Ia., May 29.—A man giving the name of Patrick Harrington has been arrested here suspected of the murder of Constable Smith at Chel seat, in Tama county, last December. He was a member of a gang of railroad laborers and disappeared at the time of the murder. Harrington is also alleged to be a member of a gang of bank robbers which operated in Iowa last winter. He was taken to Tama for a hearing.

CREATED A SCANDAL.

President Palma's Message Published Before Being Read in Congress.

Havana, May 29.—The house of representatives has reconsidered the bill which provides amnesty for Americans who were under sentence or in jail in Cuba and has added an amendment which provides that amnesty be granted to native born Americans only. In this form the bill was sent to the senate. The purpose of the amendment is to exclude from the proposed amnesty those naturalized American citizens who might be released under the bill and who might still continue to reside in Cuba.

The house has voted to fix the salary of the president of the republic at \$25,000 a year, and that of members of congress at \$35,000.

President Palma's message to congress was read during the day. Considerable scandal has arisen from the fact that this message was published by a local paper before it had been delivered to congress. The house passed a resolution to the effect that it considered the publication of the message a discourtesy on the part of President Palma. The president is greatly irritated over the occurrence and has discharged one of his aides. Detectives have been put to work in an endeavor to learn how the message reached the newspaper that published it. A type writer who was employed by the president has been taken into custody and the investigation will be continued.

A NATIONAL EVENT.

Funeral of Lord Pauncefoot at Washington Largely Attended.

Washington, May 29.—The remains of the late Lord Pauncefoot, British ambassador to Washington, were accorded a national funeral. In token of the high esteem set by the American people on the personal worth of the deceased and as an acknowledgment of the friendly feeling which is cherished towards Great Britain. Every department of the national government was represented and the numerous diplomatic body, of which for so many years the late Lord Pauncefoot was dean, was present in the persons of ambassadors, ministers and charges. In addition to these the resident society of the capital was fully represented. The presence of a thousand men in arms was the visible sign of military participation in the funeral. The church of which the deceased was a member did honor to his memory by bringing to Washington to conduct the services the chaplain bishop of Philadelphia, the Rev. Mackay Smith, under whom he had sat.

The remains were taken directly to Rock Creek cemetery, where they were placed in the receiving vault, there to remain until such time as they should be conveyed on a United States warship across the broad Atlantic to the ancestral home of the late Lord Pauncefoot of Preston.

KANSAS REPUBLICANS.

State Convention Names Ex-Congressman Bailey for Governor.

Wichita, Kan., May 29.—The Republican state convention nominated the following ticket: Governor, ex-congressman W. J. Bailey; lieutenant governor, D. J. Hanna; secretary of state, Joseph R. Burrow; auditor, Seth G. Wells; supreme justices, H. S. Mason, J. C. Pollock, A. L. Greene, A. H. Ellis, E. W. Cunningham; congressman at large, C. S. Scott; treasurer, Thomas T. Kelly; attorney general, C. C. Coleman; superintendent of insurance, L. T. Dayhoff; superintendent of public instruction, Charles H. Luling.

The feature of the convention was the strong Roosevelt sentiment. The friends of Mr. Bailey controlled the convention from the start and began by electing as temporary chairman W. Cole. The convention, after effecting permanent organization, transacted business with great alacrity. Mr. Bailey being nominated on the first ballot and there being no bitter contest for any other offices.

The platform warmly endorses the national administration.

Petition to Congress to Enable Negroes to Leave the United States.

Chattanooga, Tenn., May 29.—A petition to the president and congress of the United States asking for an appropriation of \$500,000,000 to assist negroes to leave the United States has been prepared by the International Emigration and Commercial association, an organization of negroes. In session here. The petition recites a long train of abuses to which it is claimed the negroes are subjected. It is claimed that in many of the states the negro is denied all social and political rights and that his constitutional rights are constantly violated. The leading spirits in the convention are Bishop Turner of Georgia and ex-Minister to Liberia Heard.

Poor Old Lady Beaconsfield.

There is nothing in his life, says Lord Ronald, that redounds more to Lord Beaconsfield's credit than the manner in which he treated his wife. She could never have been but a somewhat commonplace though good hearted woman. As she grew old she became a wreck of humanity, but the poor, faded, painted old lady was ever treated by her husband with a deference and regard truly touching. It was painful to see how, in what we are pleased to call the highest society, poor old Lady Beaconsfield was made a butt and a laughing stock. Knowing how sensitive Lord Beaconsfield was to anything approaching ridicule, I felt how bitterly he must have suffered when in a crowded hall or drawing room his hosts would what they called "draw out old Lady Beaconsfield" and laugh at her to her face, showing no reticence, regard or decent feeling for the poor husband, who, imperturbable as he ever appeared, was probably suffering acutely at the conduct of his ill bred hosts.

THE MORRIS BILL.

The Measure for Opening up the Chippewa Indian Reservation May not Become Law this Session.

Dispatches from Washington indicate that Judge Morris will have to spend greater part of his time during the remainder of his term in congress watching for a chance to pass his bill relating to the timber on the Chippewa Indian land of Minnesota. The measure has been on the public calendar for a number of weeks, but no prospects are in sight to give Judge Morris confidence that the bill can be passed.

The bill cannot come up except by unanimous consent, and there is so much controversy over the provision of the bill relating to the manner in which bids for the proposed sale of the timber are to be received there is little doubt that objections would be made to the consideration of the measure in its present form. A plan is under consideration of the measure for taking up the bill, under a general agreement, which would cut off the possibility of a single objection defeating the measure. The whole difficulty is over the provision inserted by the committee on Indian affairs for sealed bids in the disposal of the timber.

Some of the members want the old system of open competitive bids considered. It is believed that the plan adopted by the committee would be accepted to a majority of the members of the house if the measure could be brought to a vote, but so long as there are differences of opinion upon this or any other feature of the bill, it could not be considered so long as a single objection to the consideration of the bill is sufficient.

On the other hand, some of the members for the West insist that unless the sealed bid plan is adopted the bill cannot be passed.

COLUMN OF SMOKE FROM MONT PELEE RISES THREE MILES IN THE AIR.

A TREMENDOUS EXPLOSION

Effect of the Volcanic Disturbance Largely Widdened From the People of Fort de France by the Heavy Cumulus and Consequently No Panic Results—So Many Persons Have Left That the Town is Almost Deserted.

Fort de France, Island of Martinique, May 29.—A tremendous explosion of very black smoke from Mont Pelee at 8:45 a. m. accentuated the fear entertained for the safety of George Kennan, the American author, who, with a land party, has been examining the northern part of the island. The governor of Martinique, M. L'Huerre, was at once seen with the object of arranging a rescue party to proceed along the coast on the United States cruiser Cincinnati, should such steps appear necessary.

At about 11 a. m. Fernand Clerc, a wealthy landed proprietor of Martinique, arrived here and announced that Mr. Kennan and his party were safe on a plantation at the north end of the island. The explosion was accompanied by an enormous column of smoke, which rose fully three miles into the air, but which was largely hidden from the view of the people of Fort de France by a heavy cumulus. There was, consequently, no panic here. This column of smoke was seen from the British cruiser Indefatigable while she was at sea. The indefatigable arrived here to make another attempt to recover the body of the British consul at St. Pierre. Mr. Jepp, and the archives of the consulate. With this end in view, the British cruiser proceeded for St. Pierre, but the explosion has probably made it impossible to effect a landing there.

So many people have left Fort de France that the town is almost empty.

CAUGHT BETWEEN WASHOUTS.

Predicament of a Passenger Train on the Fort Worth and Denver.

Childress, Tex., May 29.—The whole surrounding country is flooded from the recent heavy rains. Red and Peace rivers are higher than ever known before. The Fort Worth and Denver railroad is washed away on both sides of Childress and a passenger train is caught between the washouts.

At El Reno four inches of water has fallen and it is still raining. Both the North and South Canadian rivers are out of their banks and the Rock Island railway bridge over the latter stream is impassable. Hundreds of acres of land on the river bottoms between El Reno and Oklahoma City are covered with water and the crops are destroyed.

Malfeasance in Office Alleged.

St. Louis, May 29.—Councilman Louis Schnell and Charles L. Geraghty, a member of the St. Louis house of delegates, have been arrested on bench warrants from the grand jury charging them with malfeasance in office. Both men were released on \$2,000 bonds each. Schnell is charged with having obtained contracts from the city through a supply company in which he is said to be interested. Geraghty is said to have rented horses and vehicles to the city under a fictitious name.

Well Digger Blown to Atoms.

Graceville, Minn., May 29.—While Henry W. Mayers, a tubular well driller, and his man were engaged in putting in a well on M. C. Keating's farm, east of town, they had occasion to use dynamite. While preparing the charge it exploded in some unknown way, blowing Mr. Mayers to pieces and almost killing his assistant, who lies at the point of death.

THE VILLAGE OF BACKUS.

A Resident of the Thriving Little Berg Writes to The Dispatch Describing Its Advantages.

The following letter has been received from T. D. Kennedy, a resident of Backus:

This is a very smart little village 39 miles north of Brainerd on the Minnesota and International Railway. For years it has been the headquarters of many large logging concerns, but the best of the pine timber is cut for a considerable distance about the village. The places of business are being moved half a mile north on the railroad from the old townsite. The new townsite is a pleasanter place, being near a large lake. Ex-Mayor Koop, of Brainerd, owns a large tract of land on the lake shore, and he intends establishing a summer resort here that will be up-to-date in every particular. He will have three steam launches and row and sail boats. The lake is a large one and there are many lakes connecting with the main lake by thoroughfares or small rivers. A heavy growth of timber surrounds the lake, the shores have a beautiful sandy slope with occasional mountains of white and red rock. Many beautiful springs of fresh water are found around the shores and run into the waters of the lake. Thousands of ducks nest here and in season make fine sport for sportsmen. The lakes are full of fish of all kinds. It does not take long to catch a good string. The largest muscalonge in the state inhabits the lakes hereabouts in this huntsman's paradise.

Many new buildings are in process of erection—fine substantial structures they are too. There are many fine buildings already finished.

J. H. Koop will build a large hotel on the bank of Mountain Lake, as the present accommodations are somewhat limited, there being only two hotels of any size.

The American Wire Grass Co., which has invested heavily here, employs at present about 350 men. They are building a warehouse that will cover exactly one acre of ground.

There is a wagon road being graded from this point to the Woman Lake summer resort. This is the nearest railroad point to that famous resort.

THE MORRIS BILL.

The Measure for Opening up the Chippewa Indian Reservation May not Become Law this Session.

Dispatches from Washington indicate that Judge Morris will have to spend greater part of his time during the remainder of his term in congress watching for a chance to pass his bill relating to the timber on the Chippewa Indian land of Minnesota. The measure has been on the public calendar for a number of weeks, but no prospects are in sight to give Judge Morris confidence that the bill can be passed.

The bill cannot come up except by unanimous consent, and there is so much controversy over the provision of the bill relating to the manner in which bids for the proposed sale of the timber are to be received there is little doubt that objections would be made to the consideration of the measure in its present form. A plan is under consideration of the measure for taking up the bill, under a general agreement, which would cut off the possibility of a single objection defeating the measure. The whole difficulty is over the provision inserted by the committee on Indian affairs for sealed bids in the disposal of the timber.

Some of the members want the old system of open competitive bids considered. It is believed that the plan adopted by the committee would be accepted to a majority of the members of the house if the measure could be brought to a vote, but so long as there are differences of opinion upon this or any other feature of the bill, it could not be considered so long as a single objection to the consideration of the bill is sufficient.

DECORATION DAY IN BRAINERD

Arrangements for the Proper
Celebration of the Day Have
Been Perfected.

GRAND PARADE IN AFTERNOON.

Addresses and Music Will Be
Listened to in Northern
Pacific Park.

Tomorrow, Decoration day, will be observed in Brainerd in a most fitting manner. For some time past the members of Pap Thomas Post, G. A. R., assisted by the members of the W. R. C., have been busy making arrangements for the day, and perhaps at no time in years has there been such general interest. At 9 o'clock in the morning, following the usual custom, the veterans will march to the cemetery, accompanied by the members of Company F and the Brainerd Marine band. Here the solemn and impressive ceremonies which occurs every year will be repeated, and the honor that is justly theirs will be bestowed on the dead, who fought so nobly and were so true to their country, for every grave that is filled with the bones of an honest soldier is a tribute to American valor.

Carpenters are busy today making preparations for the exercises in the afternoon in the Northern Pacific park. A large platform has been erected at the west end of the park and seats have been conveniently arranged so that all can enjoy the ceremonies throughout. Rev. Father Lynch, Judge W. A. Fleming and Rev. S. W. Hoyer will deliver addresses and the music for the occasion will be furnished by the pupils of the schools of the city under the leadership of Miss Barker.

Not the least of tomorrow's doings will be the parade in the afternoon, which will form at 1:30 o'clock. The principal streets of the city will be paraded, and in line will be the old veterans, the school children, Company F and the Brainerd Marine band.

The parade will form in the afternoon at 1:30 o'clock on Sixth street, between Front and Laurel, backing up toward the N. P. depot. The line of march will then be south to Oak street, thence east to Eighth street, where the school children will have formed a line and will join the march, thence north on Eighth street to Main street, thence west to Fourth street, thence south to Laurel street, east to Sixth street and north to the Northern Pacific park, where the exercises will be held.

The following will be the order of march:

Wessington People.

It will be remembered that the city council at its last meeting decided to allow the matter of purchasing meters for the city to be left in the hands of the purchasing committee. This was on motion done.

The committee met last night and decided to order the Wessington meters, and as a representative of that concern happened to be in the city the contract was closed at once. It will be a "hurry-up" order and they will be shipped at once.

August Kohlas Makes Complaint Against

Being Had this Afternoon.

August Kohlas, who formerly run a small confectionery store on Ninth street north, has caused to have sworn out a complaint against W. S. Hills, the baker, charging him with the misappropriation of some tools. There has not been any too good feeling between the two for some time as there were some little differences which arose at the time Kohlas was running the confectionery store. It is thought the old score will be settled and all differences terminated with this suit.

GROCERS ORGANIZE FOR MUTUAL GOOD

Meet Last Night With Secretary
Mason, of the Retail Gro-
cers Association.

IT IS NOT A COMBINATION

Con O'Brien is Elected President
of Brainerd Association--
Howard Paine Secretary.

Last night there was quite an enthusiastic meeting of the retail grocers of the city which had been called by Secretary Fred Mason, of the Retail Grocers Association, of St. Paul. The meeting was called for the purpose of discussing the feasibility of organizing an association of the grocers of this city. This was done the organization being perfected by the election of the following officers:

President—Con O'Brien.
Vice Pres.—J. A. Arnold.
Secretary—Howard Paine.

This is becoming one of the strongest organizations in the country and is doing much good for the customer and the merchants alike. It is not a combine to regulate prices but it is for the protection of the merchants. The jobbers, manufacturers and commission merchants compel the retail grocers to pay their bills in full every week or ten days. The retail grocers therefore are compelled to adopt the same system and this is largely what the organization is for. Of course they will try to see to it that the "cutting" process is not resorted to. The association will have a meeting next Tuesday evening.

FOR SALE—House and barn at 917, Main street.

MUSIC AND DRAMA.

THE ELLIS-LENNON COMPANY.

Commencing next Monday, June 2, "The Ellis-Lennon Company," will open an engagement at the Brainerd opera house for one week, at popular prices. They have just finished an engagement at Fargo and Grand Forks and are now at Crookston. The Crookston Daily Times has the following to say of one of the performances:

"At the opera house last night the Ellis-Lennon company opened a week's engagement presenting the well known comedy-drama, 'Nature's Nobleman,' to one of the largest audiences gathered together in the cozy play house this season. Messrs. Ellis and Lennon, the managers, may congratulate themselves upon having the best repertoire company ever seen in Crookston at popular prices. It would be a hard task to single out any particular one for special praise, suffice it that each and every member acquitted himself creditably. The specialties, of which there were a goodly number, were all splendid, especially the Bragdon family, who captivated the audiences by their clever and beautifully dressed act. A novelty was introduced last night in the giving away to four lucky people, cash prizes to the value of five times the price of their seats. The prize winners were Miss Minnie Sawyer, who received \$2.50, Miss Gertrude Gathrop, \$1.75, Mr. Billadeau, \$1.25 and Mr. Martin 75c. These drawings are to be continued throughout the week. The management have decided to admit ladies free again tonight if accompanied by a paid 50 cent ticket."

"THE MISSOURI GIRL" TONIGHT.

Fred Raymond's famous comedy, "The Missouri Girl," which comes to the Brainerd Opera House tonight has a hold on the theatre-going public, that is a good advertisement.

Mr. Raymond seems to have struck the popular chord and year after year, this attraction goes over the same territory, and invariably to crowded houses. Other plays come and go, but "The Missouri Girl" is evidently here to stay. It has a good strong plot for the more seriously inclined, sensational scenes and climaxes for lovers of melodrama, plenty of comedy for those who enjoy that kind of entertainment, strong specialties to interest patrons of the vaudeville, a car load of magnificent scenery to please those who enjoy the spectacular, lovely gowns and costumes to please the ladies and withal, a production that is complete in every detail. Furthermore, the play is presented by an excellent company.

"The Great St. Paul is a wonder," said Eli Perkins. "It is the seventh wonder to people who ride on the St. Paul's beautiful trains. Up in St. Paul and Minneapolis you call it the 'Milwaukee,' but the brokers on Wall street call it the 'St. Paul.' They say, with Shakespeare, 'Now buy St. Paul.'"

Bit by a Dog.

A little 4-year-old son of Mr. and Mrs. R. M. Stitt, of 20 West Third street, was severely bitten by a Scotch collie dog, near his home this morning.

The dog was on the sidewalk and the child in passing, reached out his hand to pat it on the head. The animal snapped the little hand, sinking its teeth clear through.

Detective Charles Mork from police headquarters killed the dog shortly afterward. The child was reported in normal condition this afternoon, though a close watch is being kept for first symptoms of poisoning.—Duluth Herald.

Weekly Market Letter.

The following market letter is furnished by Edwards, Wood & Co., grain and stock brokers, 8 Chamber of Commerce, Minneapolis, 210 Board of Trade, Duluth:

May 28—The wheat market has continued dull and quiet in the same rut that it has been in for two weeks. The tendency has been downward with a not decline for the week of about 1 1/2 cents per bushel for July. The chief influences have been the extremely favorable weather and crop conditions and the near approach of harvest. Weather conditions in Europe have not been quite so favorable, having been too cold and backward, but no damage has as yet been done. Wheat harvest is in progress in Texas and cutting began this week in Oklahoma. Wheat yield in Texas is light and the Oklahoma crop is variously estimated at from 10 to 19 millions of bushels, compared with 22 million bushels last year. Primary receipts for last week were 1,440,000 bushels, and exports were 5,200,000 bushels, compared with about the same amount for the week before. The domestic visible supply decreased 2,948,000 bushels for last week and Bradstreet's world's visible supply decreased east of the Rockies 4,679,000 bushels, and afloat and abroad increased 1,900,000 bushels. The good crop prospects in Europe and the large amount on ocean passage about 47 million bushels, make foreign buyers somewhat indifferent, but their stocks are low, and every little decline in our market brings about good sales for export.

On Sunday afternoon there will be a game at Brainerd Athletic Park in this city with the St. Cloud Redmen. They are the team that defeated Little Falls last Sunday and are good and strong. This game will be called at 3:30 o'clock.

DECORATION DAY IN BRAINERD

Arrangements for the Proper
Celebration of the Day Have
Been Perfected.

GRAND PARADE IN AFTERNOON.

Addresses and Music Will Be
Listened to in Northern
Pacific Park.

Tomorrow, Decoration day, will be observed in Brainerd in a most fitting manner. For some time past the members of Pap Thomas Post, G. A. R., assisted by the members of the W. R. C., have been busy making arrangements for the day, and perhaps at no time in years has there been such general interest. At 9 o'clock in the morning, following the usual custom, the veterans will march to the cemetery, accompanied by the members of Company F and the Brainerd Marine band. Here the solemn and impressive ceremonies which occurs every year will be repeated, and the honor that is justly theirs will be bestowed on the dead, who fought so nobly and were so true to their country, for every grave that is filled with the bones of an honest soldier is a tribute to American valor.

Carpenters are busy today making preparations for the exercises in the afternoon in the Northern Pacific park. A large platform has been erected at the west end of the park and seats have been conveniently arranged so that all can enjoy the ceremonies throughout. Rev. Father Lynch, Judge W. A. Fleming and Rev. S. W. Hoyer will deliver addresses and the music for the occasion will be furnished by the pupils of the schools of the city under the leadership of Miss Barker.

Not the least of tomorrow's doings will be the parade in the afternoon, which will form at 1:30 o'clock. The principal streets of the city will be paraded, and in line will be the old veterans, the school children, Company F and the Brainerd Marine band.

The parade will form in the afternoon at 1:30 o'clock on Sixth street, between Front and Laurel, backing up toward the N. P. depot. The line of march will then be south to Oak street, thence east to Eighth street, where the school children will have formed a line and will join the march, thence north on Eighth street to Main street, thence west to Fourth street, thence south to Laurel street, east to Sixth street and north to the Northern Pacific park, where the exercises will be held.

The following will be the order of march:

Platoon of Police,
Mayor and the City Council,
Brainerd Marine Band,
Pap Thomas Post, G. A. R.,
W. R. C.,
Company F, N. G. S. M.,
School Children,
Other Civic Societies,
Carriages, etc.

The following is the program of the exercises in the park:

Song, "The Soldier Boy's Are
Out Today".....Lincoln School
Song, "See The Soldiers March-
ing Come".....Second Grades
Song, "Flowers For The Brave"
.....Sixth and Seventh Grades

A CONTINUED OVATION

SENATOR HANNA THE CONSPICU-
OUS FIGURE OF OHIO REPUB-
LICAN CONVENTION.

CHARACTERISTIC ADDRESS

The Senator Sounds the Keynote of
the Coming Campaign—Gathering
Distinguished for Harmony in All
That Was Done—State Ticket
Placed in Nomination and Platform
and Resolutions Adopted.

Cleveland, May 29.—The Republican
state convention, which has been a
continued ovation here all week to
Senator Hanna, closed with a great
demonstration in his honor, to which
he responded in a characteristic
speech. The senator, at former con-
ventions, has sounded keynotes that
were taken up by Republican glee
clubs. He told them to sing "Keep on
Letting Well Enough Alone," in the
campaign rallies this year. The con-
vention was distinguished for har-
mony on the chorus for Hanna in all
that was done. One of the last recon-
ciliations was that of Senator Hanna
and Former Governor Asa S. Bush-
nell of Springfield. The latter had
been here all week, but Bushnell and
Hanna never spoke as they passed
each other's quarters. They had not
spoken since the memorable contest
for the senatorship in 1897. Before go-
ing to the convention they met in the
most cordial manner.

Senator Hanna and George B. Cox of
Cincinnati also had a friendly farewell
after a contest during the day over
nominations. What were called the Hanna men
won on all ballots, but Cox supported
none of the winners. In making up
the state ticket Hanna and Cox were
on opposing sides, the same as in the
contest for the organization of the leg-
islature last January, but good feeling
prevailed after the convention was over.

While Senator Hanna was cheered
as he entered the hall, as he an-
nounced the vote of his county dele-
gation of which he was chairman, as
General Grosvenor and other speakers
referred to him, and on other occa-
sions, the mention of the names of
President Roosevelt, Senator Foraker,
Governor Nash and others were also
cheered.

Crosvenor Was Permanent Chairman.

General Grosvenor was heartily re-
ceived as the permanent chairman, as
was General Dick when he read the
resolutions which were adopted sub-
stantially as he had drafted them,
with the exception of the Cuban res-
olution, on which there was a compro-
mise.

The ticket nominated is as follows:
Secretary of state, Lewis C. Laylin of
Norwalk; Judge of supreme court,
William B. Crew of McConnellsville;
food and dairy commissioner, Horace
Ankeny of Xenia; member of the
board of public works, William Kirt-
ley, Jr., of Defiance.

In accepting renomination at the
head of the state ticket, Secretary of
State Lewis C. Laylin referred to the
state convention in Zanesville in 1895
at which the so-called triple alliance
was entered into that included Bush-
nell for governor, Foraker for senator
and McKinley for president. Secre-
tary Laylin said they were equally
united now for Senator Hanna to suc-
ceed himself, although not so distinct-
ly positive in expressing preferences
in advance for president and governor.
This reference to the governorship
was enjoyed by the delegates who
have during the week witnessed the
dress parade here of half a dozen or
more aspirants for the gubernatorial
nomination next year.

Many ladies attended the conven-
tion, among them being Mrs. Hanna,
who occupied a front seat on the plat-
form, but she and the ladies with her
left the hall before the senator was
called out for the closing speech.

Platform Declarations.

The platform laments the death of
President McKinley, applauds Presi-
dent Roosevelt's course and commends
Senators Hanna and Foraker. "The
trust plank reads:

"We recognize the necessity of co-
operation in order to meet new condi-
tions in the industrial world, and to
compete successfully for the world's
markets; but all combinations that
stifle competition, control prices, limit
production, or unduly increase profits
or values, and especially when they
raise the prices of the necessities of
life, are opposed to public policy and
should be repressed with a strong
hand. The Republican party is the
only one that has dealt courageously
and honestly with the trust question.
It enacted as early as 1890 a law
framed by that distinguished states-
man, John Sherman, to prohibit and
punish combinations in restraint of
trade, the control of wages or the ad-
vancement of prices.

"This act, framed by a Republican
statesman, passed by a Republican
congress and signed by a Republican
president, has proved helpful in pre-
venting abuses by such combinations,
where such abuses were found to ex-
ist, and is now being vigorously ap-
plied by a Republican administration
in the prosecution of unlawful com-
binations. Subsequent to the enactment
of this law the Democratic party ob-
tained control of both branches of
congress and the presidency. It con-
stantly asserted hostility to the trusts,
but failed to place upon the statute
books a single line of legislation which
would aid in their control."

The protective policy is extolled and
is in the administration's course in the
Philippines.

Keane May Succeed Corrigan.

London, May 29.—The Rome cor-
respondent of The Daily Mail says that
at the consistory to be held June 9
the pope will nominate Archbishop
Keane of Dubuque, Ia., to succeed the
late Archbishop Corrigan of New York.

SUBSIDIARY COINAGE.

House Debating a Bill Providing for
Its Increase.

Washington, May 29.—The house
spent the day debating the bill to in-
crease the subsidiary coinage by coin-
ing the silver dollar in the treasury
and to receive standard silver dollars
as the public necessities may require.
The limit of subsidiary coinage is now
\$100,000,000. The bill increases this to
an indefinite amount in the discretion
of the secretary of the treasury. The
bill aroused the opposition of the Dem-
ocrats, who claimed it was only a step
in the direction of the complete strik-
ing down of the silver dollar. The de-
bate drifted into a general discussion
of the silver question. Very little in-
terest was shown and Mr. Cochran
twice made the point that no quorum
was present.

Mr. Newlands of Nevada finally of-
fered an amendment to make subsid-
ary silver a legal tender and this
amendment was pending when the
house adjourned.

NOTED FILIPINO ARRIVES.

Aguinaldo's Secretary of State Now in
Washington.

Washington, May 29.—Senor Felipe
Buenacampo, one of the founders of the
Federal party in the Philippines, ar-
rived in this city during the day from
San Francisco and had a short confer-
ence with Secretary Root at the war
department. He was accompanied by
Washington by Lieutenant Arthur L.
Conger, Nineteenth Infantry, aide to
General Hughes, commanding the de-
partment of California. Senor Buen-
campo will be presented to President
Roosevelt and it is expected that later
he will appear before the senate Phil-
ippines committee.

Buenacampo was one of the prin-
cipal figures of the so-called Aguin-
aldo government, holding the office of
secretary of state when he was cap-
tured in company with Aguinaldo's
mother immediately after the battle of
Tarlac.

WILL VOTE TUESDAY.

Senate Fixes Time for Disposal of the
Philippine Bill.

Washington, May 29.—An agreement
was reached in the senate during the
day by which a final vote on the pend-
ing Philippine government bill and all
amendments will be taken next Tues-
day at 4 p. m. Pending the vote, the
senate will meet at 11 o'clock each day
except Friday, when the senate will
not sit, it being Memorial day. On
Monday and Tuesday the debate will
be under the 15-minute rule.

Mr. Burrows of Michigan explained
the bill at length and urged its en-
actment, maintaining that it would ad-
vance the interests and promote the
prosperity of the islands. In his judg-
ment it would be a mistake to accord
to the Filipinos self government and
independence now. Such a proceed-
ing could result, he said only in dis-
aster to the inhabitants and possibl-
anarchy in the islands.

PUBLIC BUILDING BILL.

Some Northwestern Appropriations as
Finally Agreed Upon.

Washington, May 29.—The merce-
nary public building bill has been
agreed to in conference. The bill car-
ried \$15,800,000 when it left the house.
The senate added \$3,200,000. In con-
ference the senate amendments were
reduced about \$1,200,000. Among the
items in controversy, as finally settled,
are the following: Butte, Mont., limit
increased to \$300,000; Crookston
Minn., site, \$40,000; Yankton, S. D.,
site, \$70,000; Muscatine, Ia., site, \$15,
000; Stillwater, Minn., increased to
\$60,000; Grand Forks, N. D., increased
to \$165,000; Superior, Wis., increased
to \$225,000; Baraboo, Wis., increased
to \$45,000; Tacoma and Spokane
Wash., increase for sites, each \$100,
000; Des Moines, increased to \$150,000.

Cherokees Desire Citizenship.

Washington, May 29.—A delegation
of Creek Indians, headed by Principal
Chief Buntington, called on the presi-
dent and presented a petition in the
half of the bill providing for the allot-
ment of their lands in the Indian Ter-
ritory and the disposition of town-
ships. The petition says that the
Cherokee Indians are ready to take up
the duties and responsibilities of citi-
zenship and it is their desire to se-
cure their allotments before the Indian
Territory is admitted into the Union
as a state.

Lost Money on Stocks and Grain.

Chicago, May 29.—William H. Gam-
ble of Cedar Rapids, Ia., was found
dead in his room at the Brevoort
House. A coroner's jury will deter-
mine whether he died from natural
causes or committed suicide. From
papers found in the possession of Gam-
ble it was learned that he had been in
Chicago trading in stocks and grain.
Communications from his brokers
showed that Gamble had lost money
on a number of his purchases. When
found the corpse was lying across the
bed partly dressed.

State Loses Second Whisky Case.

St. Paul, May 29.—The Minnesota
dairy and food department has re-
ceived a severe setback in its crusade
against tanglefoot whisky. It began
this crusade in Duluth, where the Bow-
ery whisky is said to be of record-
breaking quality, and it was successful
in its first case. It lost its second case
however. Charles Carlson, a Bowery
saloonkeeper was prosecuted for sell-
ing adulterated whisky, but the case
was dismissed owing to a flaw in the
complaint.

Democratic Caucus Postponed.

Washington, May 29.—A caucus of
the Democratic members of the house
was to have been held at 8 o'clock p.
m. to consider plans for forcing a vote
on the Nicaragua canal bill at the
present session of congress. At the
hour set for the meeting only 15 Dem-
ocratic members had responded to the
call and as a result it was decided to
postpone the meeting indefinitely.

Church Expels Governor Davis.

Little Rock, Ark., May 29.—After a
lengthy discussion in the Second Baptist
church the congregation voted to
withdraw fellowship from Governor
Jefferson Davis upon charges of unbecom-
ing conduct filed some time ago.
Governor Davis was not present and
is out of the city. His reply to the
charges was read to the congregation.

MAYOR LOW ENTERTAINS.

Banquet Given in New York to the
Rochambeau Mission.

New York, May 29.—General Brug-
ere and Vice Admiral Fourrier of the
French special mission made an official
visit to Rear Admiral Barker, at the
Brooklyn navy yard. From this visit
they returned to their hotel, where they
rejoined the Count de Rochambeau
and others of the party, and accom-
panied by Mayor Low, went to
Columbia university. There the visi-
tors were received by a gathering of
1,500 students, who cheered them. The
guests were welcomed by President
Butler, who conducted them on a tour
of inspection through the university.
From Columbia the party proceeded
to Grant's tomb, and then repaired to
the Claremont to attend the banquet
given by the mayor. The guests were
received as they arrived by Mrs. Lowe.
At the table of honor sat Mayor Low.
In the center and on his right was
Mme. Cambon, wife of the French am-
bassador, and on the left the Countess
de Rochambeau. The other guests at
the mayor's table included Mrs. Low,
who sat opposite the mayor with Vice
Admiral Fourrier on her left, and the
Comte de Rochambeau.

Noted Southern Minister Dead.
New Orleans, May 29.—The Rev. B.
M. Palmer, the noted Presbyterian
minister, died here at 12:50 p. m. from
the effects of injuries received by be-
ing struck by a street car in this city
on May 5. He was 84 years old and
on account of his age was not able to
reconcile from the severe shock of
the accident. Dr. Palmer was one of
the strongest leaders in the Southern
pulpit during the Civil war and on
Thanksgiving day, 1860, he preached
his famous secession sermon in this
city.

Brewers to Get a Raise.

Milwaukee, May 29.—The Milwan-
kee Brewers' association has sub-
mitted its annual contract to the United
Brewery Workers. The proposition
establishes a universal 8-hour day in
the breweries, with an average in-
crease in pay of from 10 to 15 per cent
and involves complete recognition of
the union. Little doubt is felt that
the contract will meet the approval of
the workmen.

Engineers Elect Officers.

Norfolk, Va., May 29.—The Brother-
hood of Locomotive Engineers conven-
tion devoted the day almost en-
tirely to the election of officers. At
B. Youngson was re-elected assistant
grand chief engineer and T. S. Ingra-
ham first grand engineer. Deloss Ev-
erett was elected third grand engineer.
The terms of Grand Chief Arthur and
Second Grand Engineer Salmons will
not expire for two years.

TELEGRAPHIC BREVITIES.

The Earl of Chichester, formerly
member of parliament for Lewes, is
dead.
The story from Lincoln, Neb., that
Chancellor Andrews has been offered
the presidency of the University of Wis-
consin is denied by the regents.
Yellow fever has broken out again
violently at Vera Cruz, Mex. Among
100 men working on supplementary
port works, 19 were stricken in one
week, 10 dying.
Major Andrew J. Barber died at
Springfield, Ill., aged 68. During the
Civil war he was assistant quarterm-
aster to "Stonewall" Jackson's
corps in the army of Northern Virginia.

Your back may not ache very

But the ache will return shortly.

Doan's Kidney Pills cure all kidney
ills.

Brainerd people endorse them.
Mrs. S. Brain, of 125 South 9th
street, says: Doan's Kidney Pills
cannot be spoken of in too high
terms. I suffered greatly from my
back, the symptoms showing unmis-
takably that the kidneys were at
fault. The secretions from those
organs were scanty and caused some
pain; the aching in my back was con-
stant and exceeding distressing.
When my husband brought me Doan's
Kidney Pills I was much in need of
relief. I used them and in a compar-
atively short time the pain had dis-
appeared and the improvement in
my constitution was general. The
kidneys were quickly restored to
health and performed their functions
naturally.

SENATOR HANNA THE CONSPICU-
OUS FIGURE OF OHIO REPUB-
LICAN CONVENTION.

CHARACTERISTIC ADDRESS

The Senator Sounds the Keynote of
the Coming Campaign—Gathering
Distinguished for Harmony in All
That Was Done—State Ticket
Placed in Nomination and Platform
and Resolutions Adopted.

Cleveland, May 29.—The Republican
state convention, which has been a
continued ovation here all week to
Senator Hanna, closed with a great
demonstration in his honor, to which
he responded in a characteristic
speech. The senator, at former con-
ventions, has sounded keynotes that
were taken up by Republican glee
clubs. He told them to sing "Keep on
Letting Well Enough Alone," in the
campaign rallies this year. The con-
vention was distinguished for har-
mony on the chorus for Hanna in all
that was done. One of the last recon-
ciliations was that of Senator Hanna
and former Governor Asa S. Bush-
nell of Springfield. The latter had
been here all week, but Bushnell and
Hanna never spoke as they passed
each other's quarters. They had not
spoken since the memorable contest
for the senatorship in 1897. Before go-
ing to the convention they met in the
most cordial manner.

Senator Hanna and George B. Cox of
Cincinnati also had a friendly farewell
after a contest during the day over
nominations. What were called the Hanna men
won on all ballots, but Cox supported
none of the winners. In making up
the state ticket Hanna and Cox were
on opposing sides, the same as in the
contest for the organization of the leg-
islature last January, but good feeling
prevailed after the convention was
over.

While Senator Hanna was cheered
as he entered the hall, as he an-
nounced the vote of his county dele-
gation of which he was chairman, as
General Grosvenor and other speakers
referred to him, and on other occa-
sions, the mention of the names of
President Roosevelt, Senator Foraker,
Governor Nash and others were also
cheered.

Grosvenor Was Permanent Chairman.
General Grosvenor was heartily re-
ceived as the permanent chairman, as
was General Dick when he read the
resolutions which were adopted sub-
stantially as he had drafted them,
with the exception of the Cuban res-
olution, on which there was a compro-
mise.

The ticket nominated is as follows:
Secretary of state, Lewis C. Laylin of
Norwalk; judge of supreme court,
William B. Crew of McConnellsville;
food and dairy commissioner, Horace
Ankeny of Xenia; member of the
board of public works, William Kir-
tley, Jr. of Defiance.
In accepting renomination at the
head of the state ticket, Secretary of
State Lewis C. Laylin referred to the
state convention in Zanesville in 1895
at which the so-called triple alliance
was entered into that included Bush-
nell for governor, Foraker for senator
and McKinley for president. Sec-
retary Laylin said they were equally
united now for Senator Hanna to suc-
ceed himself, although not so distinct-
ly positive in expressing preferences
in advance for president and governor.
This reference to the governorship
was enjoyed by the delegates who
have during the week witnessed the
dress parade here of half a dozen or
more aspirants for the gubernatorial
nomination next year.

Many ladies attended the conven-
tion, among them being Mrs. Hanna,
who occupied a front seat on the plat-
form, but she and the ladies with her
left the hall before the senator was
called out for the closing speech.

Platform Declarations.

The platform laments the death of
President Roosevelt's course and com-
mends Senators Hanna and Foraker. "The
trust plank reads:
"We recognize the necessity of co-
operation in order to meet new condi-
tions in the industrial world, and to
compete successfully for the world's
markets; but all combinations that
stifle competition, control prices, limit
production, or unduly increase profits
or values, and especially when they
raise the prices of the necessities of
life, are opposed to public policy and
should be repressed with a strong
hand. The Republican party is the
only one that has dealt courageously
and honestly with the trust question.
It enacted as early as 1890 a law
framed by that distinguished states-
man, John Sherman, to prohibit and
punish combinations in restraint of
trade, the control of wages or the ad-
vancement of prices.

"This act, framed by a Republican
stateman, passed by a Republican
congress and signed by a Republican
president, has proved helpful in pre-
venting abuses by such combinations,
where such abuses were found to ex-
ist, and is now being vigorously ap-
plied by a Republican administration
in the prosecution of unlawful com-
binations. Subsequent to the enactment
of this law the Democratic party ob-
tained control of both branches of
congress and the presidency. It con-
stantly asserted hostility to the trusts,
but failed to place upon the statute
books a single line of legislation which
would aid in their control."

The protective policy is extolled and
so is the administration's course in the
Philippines.

Keane May Succeed Corrigan.

London, May 29.—The Rome cor-
respondent of The Daily Mail says that
at the consistory to be held June 9
the pope will nominate Archbishop
Keane of Dubuque, Ia., to succeed the
late Archbishop Corrigan of New York.

SUBSIDIARY COINAGE.

House Debating a Bill Providing for
its Increase.

Washington, May 29.—The house
spent the day debating the bill to in-
crease the subsidiary coinage by coin-
ing the silver dollar in the treasury
and to recoin standard silver dollars
as the public necessities may require.
The limit of subsidiary coinage is now
\$100,000,000. The bill increases this to
an indefinite amount in the discretion
of the secretary of the treasury. The
bill aroused the opposition of the Dem-
ocrats, who claimed it was only a step
in the direction of the complete strik-
ing down of the silver dollar. The de-
bate drifted into a general discussion
of the silver question. Very little in-
terest was shown and Mr. Cochran
twice made the point that no quorum
was present.

Mr. Newlands of Nevada finally of-
fered an amendment to make subsid-
iary silver a legal tender and this
amendment was pending when the
house adjourned.

NOTED FILIPINO ARRIVES.

Aguinaldo's Secretary of State Now in
Washington.

Washington, May 29.—Senator Felipe
Buencamino, one of the founders of the
Federal party in the Philippines, ar-
rived in this city during the day from
San Francisco and had a short confer-
ence with Secretary Root at the war
department. He was accompanied by
Washington by Lieutenant Arthur L.
Conger, Nineteenth infantry, aide to
General Hughes, commanding the de-
partment of California. Senator Buen-
camino will be presented to President
Roosevelt and it is expected that later
he will appear before the senate Phil-
ippine committee.

Buencamino was one of the principal
figures of the so-called Aguinal-
do government, holding the office of
secretary of state when he was cap-
tured in company with Aguinaldo's
mother immediately after the battle
of Tarlac.

WILL VOTE TUESDAY.

Senate Fixes Time for Disposal of the
Philippine Bill.

Washington, May 29.—An agreement
was reached in the senate during the
day by which a final vote on the pend-
ing Philippine government bill and all
amendments will be taken next Tues-
day at 4 p. m. Pending the vote, the
senate will meet at 11 o'clock each day
except Friday, when the senate will
not sit, it being Memorial day. On
Monday and Tuesday the debate will
be under the 15-minute rule.

Mr. Burrows of Michigan explained
the bill at length and urged its en-
actment, maintaining that it would ad-
vance the interests and promote the
prosperity of the islands. In his judg-
ment it would be a mistake to accord
to the Filipinos self government and
independence now. Such a proceed-
ing could result, he said only in dis-
aster to the inhabitants and possibl
anarchy in the islands.

PUBLIC BUILDING BILL.

Some Northwestern Appropriations as
Finally Agreed Upon.

Washington, May 29.—The Merce,
omnibus public building bill has been
agreed to in conference. The bill car-
ried \$15,800,000 when it left the house.
The senate added \$3,200,000. In con-
ference the senate amendments were
reduced about \$1,200,000. Among the
items in controversy, as finally settled,
are the following: Butte, Mont., limit
increased to \$300,000; Crookston
Minn., site, \$4,000; Yankton, S. D.,
site, \$7,000; Muscatine, Ia., site, \$15,
000; Stillwater, Minn., increased to
\$60,000; Grand Forks, N. D., increased
to \$165,000; Superior, Wis., increased
to \$225,000; Baraboo, Wis., increased
to \$45,000; Tacoma and Spokane
Wash., increase for sites, each \$100,
000; Des Moines, increased to \$150,000.

Cherokees Desire Citizenship.

Washington, May 29.—A delegation
of Creek Indians, headed by Principal
Chief Buffington, called on the pres-
ident and presented a petition in be-
half of the bill providing for the allot-
ment of their lands in the Indian Ter-
ritory and the disposition of town-
sites. The petition says that the
Cherokee Indians are ready to take up
the duties and responsibilities of citi-
zenship and it is their desire to se-
cure their allotments before the Indian
Territory is admitted into the Union
as a state.

Lost Money on Stocks and Grain

Chicago, May 29.—William H. Gam-
ble of Cedar Rapids, Ia., was found
dead in his room at the Brevoort
House. A coroner's jury will deter-
mine whether he died from natural
causes or committed suicide. From
papers found in the possession of Gam-
ble it was learned that he had been in
Chicago trading in stocks and grain.
Communications from his brokers
showed that Gamble had lost money
on a number of his purchases. When
found the corpse was lying across the
bed partly dressed.

State Loses Second Whisky Case.

St. Paul, May 29.—The Minnesota
dairy and food department has re-
ceived a severe setback in its crusade
against tanglefoot whisky. It began
this crusade in Duluth, where the Bow-
ery whisky is said to be of record-
breaking quality, and it was successful
in its first case. It lost its second case
however. Charles Carlson, a Bowery
saloonkeeper was prosecuted for sell-
ing adulterated whisky, but the case
was dismissed owing to a flaw in the
complaint.

Democratic Caucus Postponed.

Washington, May 29.—A caucus of
the Democratic members of the house
was to have been held at 8 o'clock p.
m. to consider plans for forcing a vote
on the Nicaragua canal bill at the
present session of congress. At the
hour set for the meeting only 15 Dem-
ocratic members had responded to the
call and as a result it was decided to
postpone the meeting indefinitely.

Church Expels Governor Davis.

Little Rock, Ark., May 29.—After a
lengthy discussion in the Second Baptist
church the congregation voted to
withdraw fellowship from Governor
Jefferson Davis upon charges of unbecom-
ing conduct filed some time ago.
Governor Davis was not present and
is out of the city. His reply to the
charges was read to the congregation.

MAYOR LOW ENTERTAINS.

Banquet Given in New York to the
Rochambeau Mission.

New York, May 29.—General Brug-
ere and Vice Admiral Fournier of the
French special mission made an offi-
cial visit to New York. From this
visit they returned to their hotel,
where they rejoined the Count de Ro-
chambeau and others of the party, and
accompanied by Mayor Low, went to
Columbia university. There the visi-
tors were received by a gathering of
1,000 students, who cheered them. The
guests were welcomed by President
Butler, who conducted them on a tour
of inspection through the university.

From Columbia the party proceeded
to Grant's tomb, and then repaired to
the Claremont to attend the banquet
given by the mayor. The guests were
received as they arrived by Mrs. Low.
At the table of honor sat Mayor Low.
In the center and on his right was
Mme. Cambon, wife of the French am-
bassador, and on the left the Countess
de Rochambeau. The other guests at
the mayor's table included Mrs. Low,
who sat opposite the mayor with Gen-
eral Brugere on her right and Vice
Admiral Fournier on her left, and the
Comte de Rochambeau.

Noted Southern Minister Dead.

New Orleans, May 29.—The Rev. B.
M. Palmer, the noted Presbyterian
minister, died here at 12:50 p. m. from
the effects of injuries received by be-
ing struck by a street car in this city
on May 5. He was 84 years old and
on account of his age was not able to
recover from the severe shock of the
accident. Dr. Palmer was one of the
strongest leaders in the Southern
pulpit during the Civil war and on
Thanksgiving day, 1860, he preached
his famous secession sermon in this
city.

Brewers to Get a Raise.

Milwaukee, May 29.—The Milwau-
kee Brewers' association has submit-
ted its annual contract to the United
Brewery Workmen. The proposition
establishes a universal 8-hour day in
the breweries, with an average in-
crease in pay of from 10 to 15 per cent
and involves complete recognition of
the union. Little doubt is felt that
the contract will meet the approval of
the workmen.

Engineers Elect Officers.

Norfolk, Va., May 29.—The Brother-
hood of Locomotive Engineers conven-
tion devoted the day almost entirely
to the election of salaried officers. A.
B. Youngman was re-elected assistant
grand chief engineer and T. S. Ingra-
ham first grand engineer. Deloss Ev-
erett was elected third grand engineer.
The terms of Grand Chief Arthur and
Second Grand Engineer Salmons will
not expire for two years.

Your back may not ache very

But the ache will return shortly,

Doan's Kidney Pills cure all kidney
ills.

Brainerd people endorse them.
Mrs. S. Brain, of 125 South 9th
street, says: Doan's Kidney Pills
cannot be spoken of in too high
terms. I suffered greatly from my
back, the symptoms showing unmis-
takeably that the kidneys were at
fault. The secretions from those
organs were scanty and caused some
pain; the aching in my back was con-
stant and exceeding distressing.
When my husband brought me Doan's
Kidney Pills I was much in need of
relief. I used them and in a compar-
atively short time the pain had dis-
appeared and the improvement in
my constitution was general. The
kidneys were quickly restored to
health and performed their functions
naturally.
